

We are seeking a dedicated, enthusiastic, pet loving individual to join our Ridge Runner Team!

Our lodging facility has been in action since May of 2017 and focuses on “Standards of Care” and compassionate care that each of our lodging guests deserve. To join our team our ideal candidate will have strong communication skills and will be very team orientated. We are currently looking for:

Full-Time and/or Part-Time Lodging Specialist
Shifts may vary and will be between 6 am & 7 pm Monday through Sunday.
Weekends and Holidays Required

Experience is a plus and the candidate will need to feel comfortable performing the following functions:

- Receive, handle and treat patients with skill, compassion and care.
- Accurately interact and communicate with clients in multiple forms including via phone, email, text, and face-to-face.
- Accurately administer medications and foods according to written direction.
- Input data into computer software system.
- Ability to observe animal appearance and activity for general physical condition, obvious signs of illness, injury, and discontent.
- Regular attendance and timeliness are an essential function in order to fulfill the requirements of this position.
- Work well with all team members and ensure that your actions support the facility and the affiliated hospitals, doctors, and the facility and hospital philosophy.
- Perform general physical activities that require bending, standing, stooping, moving from room to room, sitting, talking, and listening; may be required to walk or stand for long periods of time; will use hands to manipulate, handle, or feel; will reach with hands and arms.
- Frequently lift, carry and handle dogs weighing 50 lbs.
- Various cleaning including mopping, sweeping, vacuuming, scrubbing by hand and with brushes.

Our generous benefit package includes:

- Continuing Education
- Health Insurance
- Paid time off
- IRA
- Pet Insurance
- Plus, additional benefits

A background check will be required of the successful candidate, along with a pre-employment drug test.
